

(Ex) JL2294.xC6.1979

Bolivian election materials: Newspaper articles and campaign advertisements are supplemented by official government and party publications in this collection. There are four major categories of published material.

Information regarding various parties
(e. g., platforms, position papers, campaign advertisements, etc.)

Information regarding alliances in support of candidates
(e. g., announcement of mergers, dissolutions, etc.)

General newspaper and pamphlet commentary on elections and candidates; and,

Government publications (i. e. , presidential speeches and interviews)

All material in this collection is filed alphabetically under the following categories: (1) Parties; (2) Alliances; (3) Newspapers and Pamphlets; and (4) Government Publications. Following is a list of contents by folder.
