Collection of Scottish legal tracts and broadsides

Introduction

The Collection of Scottish legal tracts and broadsides consists of two groups of source documents in Scottish law. This finding aid focuses on earlier, unbound documents.

Range of Collection Dates: 1628-1782

Size: 1.5 linear feet (3 boxes)

Language: English

Restrictions: None.

Provenance: Acquired from Ximenes Rare Books.

Photocopying, literary rights, and citation: Single photocopies may be made for research purposes. No further photoduplication of copies of material in the collection can be made when Princeton University Library does not own the original. Permission to publish material from the collection must be requested from the Associate University Librarian for Rare Books and Special Collections. The library has no information on the status of literary rights in the collection and researchers are responsible for determining any questions of copyright. Citations should be as follows: Collection of Scottish legal tracts and broadsides, Box #, Folder #, Department of Rare Books and Special Collections, Princeton University Library.

Scottish legal tracts and broadsides

I. Series **KDC840 .S362f**

This series consists of unbound legal tracts, each in a numbered folder within one of three boxes. Organized chronologically, from 1628-1782, they cover various legal proceedings in Scotland. Each tract also has an individual bibliographic record in the online catalogue, indexed with the participants' and pertinent subject headings.

Additional information includes manuscript annotations, docket information, and a brief synopsis.

Note: All entries are also represented in the English Short Title Catalogue (ESTC), and each bibliographic record cites the ESTC record number.

For further source material, see the "Scottish legal tracts from the library of Ferguson of Raith," a set of documents bound in 3 volumes, at call no. **(EX) KDC840 .S362q**.

Collection of Scottish legal tracts and broadsides
